Dear Mr. French:

In compliance with the instructions contained in the 2011 Indiana Campaign Finance Manual (page 11), I am submitting the following duplicate Federal Election Commission reports on behalf of the Libertarian National Congressional Committee (LNCC) for the period October 15, 2011 through December 31, 2011. The Committee is required to file monthly reports with the Federal Election Commission, so the periods contained in the reports actually cover October 1, 2011 through December 31, 2011. These reports are all available on the FEC website at www.fec.gov. The reports submitted are as follow:

November monthly report for the period October 1 through October 31, 2011
December monthly report for the period November 1 through November 30, 2011
Year End monthly report for the period December 1 through December 31, 2011

All of these reports appear on the Federal Election Commission website at www.fec.gov.

The LNCC has had no activity in Marion County during this period and does not anticipate any activity for the remainder of this election cycle. If you have any questions, please contact me at (202) 434-4530.

Sincerely,

Paula Edwards

RE: Libertarian National Congressional Committee (LNCC)

Dear Ms. Eldridge:

In response to your letter dated January 10, 2013, please be advised that the Libertarian National Congressional Committee has not engaged in state or local election activity in Marion County since August, 2011 and does not anticipate doing so in the foreseeable future. We feel your office's records showing the Committee's status as "open" are in error and request that they be corrected to show the Committee as "closed".

Since the LNCC filed under the "Special Reporting Requirements for Some Federal PACs" contained on page 11 of the 2011 Indiana Campaign Finance Manual, the Committee did not submit a state form CFA-4, and could not indicate the status change by checking the "Final/Disbands" box as directed in the January 10 letter. We have attached the cover letter that accompanied our 2011 Year End Report, filed on January 17, 2012. In this cover letter, we indicated that the Committee did not anticipate further election activity in Marion County.

Please contact me on my mobile at (202) 669-3053 if you have any questions. Thank you for your assistance in this matter.

Sincerely,

Paula Edwards
